

Playwork: Theory and Practice

By Fraser Brown

Open University Press. Paperback. Book Condition: new. BRAND NEW, Playwork: Theory and Practice, Fraser Brown, "[An] excellent book. With its breadth of discourse, it held my attention throughout. This book is informative, but also challenges views on the play experience and the playwork profession. It will be of interest to all those that work and play with young children. The place of playwork and playworkers is described with passion: readers cannot help but be totally absorbed by this book." Early Years, Vol 24, No 1, March 2004 Children learn and develop through their play. In today's world the opportunities for that to happen are increasingly restricted. The profession of playwork seeks to reintroduce such opportunities, and so enable children to achieve their full potential. This book brings together many leading names in the playwork field, to produce a text that has something for everyone. The in-depth exploration of a range of theoretical perspectives will appeal to both playwork students and practising playworkers. Experienced practitioners offer sound practical advice about ways of improving playwork practice. There are chapters on the role of adventure playgrounds (past, present and future); the challenge of starting a playwork section in a local authority; and the value of networking....

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
