From the Trail of Tears to Wounded Knee and Little Bighorn, the narrative of American history is incomplete without the inclusion of the Native Americans that lived on the continent before European settlers arrived in the 16th and 17th centuries. Since the first contact between natives and settlers, tribes like the Sioux, Cherokee, and Navajo have both fascinated and perplexed outsiders with their history, language, and culture. In Charles River Editors Native American Tribes series, readers can get caught up to speed on the history and culture of North America s most famous native tribes in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. Many Native American tribes went out of their way to steer clear of white settlers during the 19th century, but the Nez Perce people might have remained confined to historical obscurity if not for their willingness to establish ties with European adventurers, explorers, clergy, and settlers. By doing so, most notably assisting the Lewis Clark Expedition in 1805, the Nez Perce succeeded in not only bringing to light their ancient heritage but staking their claim to their place in modernity. From their role in helping Lewis and Clark blaze a trail to the Northwest Pacific coast in the early 19th century to their modern-day roles in the fields of academics, politics, the arts and sciences, the Nez Perce people stand among America s most influential. Nez Perce literally means pierced nose...
