

NOW! to the TruthSeekers: A Series of Thought Provoking Fictional Essays Short Stories (Paperback)

By John L Harris Sr.

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 223 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Why read Now! to the TruthSeekers written by John L. Harris, Sr.? A book that would prayerfully enlighten the reader to recognize who he or she is in order to help establish stability for defeating an enemy, which attacks the mind of any who would fall prey. In addition these short stories and essays will bring you to the realization that your identity is based solely on your perception of self in Christ. This work clearly denotes the vast areas that may arise causing you, the individual to falter spiritually, mentally, emotionally, physically and/or financially, which is materialism. Guiding the reader through experiences, though fictitious, which might realistically arise in the life of any one, while exposing possible hidden truths one might otherwise choose to avoid. A Painful Realization deals with the impossible becoming possible because nothing could have prepared me for what was before me! Absolutely nothing sought among the things of men, could have been demonstrated so clearly the lack of biblical principles, than the ignorance of that which is so defined within the book of Galatians,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
