

Republic of Nature: An Environmental History of the United States

By Mark Fiege

University of Washington Press. Paperback. Book Condition: New. Paperback. 600 pages. Dimensions: 8.6in. x 5.5in. x 1.4in. New in paperback The Republic of Nature reframes standard accounts of American history based on the simple but radical premise that historical events are shaped by natural circumstances. From the natural philosophy of the founding fathers to the environmental forces behind *Brown v. Board of Education*, the book's focus on nature reveals a powerful new perspective on the most familiar icons of U. S. history. Mark Fiege is an associate professor of history at Colorado State University, Fort Collins, and the author of *Irrigated Eden: The Making of an Agricultural Landscape in the American West*. For readers swayed by Fiege's persuasive pages, American history will never look quite the same again. A book to savor on Sunday afternoons. -J. R. McNeill, *Science* Fiege makes a powerful case for always asking the question How does nature matter when thinking about any present or historical issue or social policy. -Tikkun No one who cares about the American past can afford to ignore what Fiege has to say. - from the Foreword by William Cronon This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This ebook is wonderful. I have got to go through and so I am certain that I am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.

-- Miss Ariane Mraz

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and I also am sure that I will planning to read through again once more in the foreseeable future. You won't really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
