LONDON CAFFS

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, London Caffe, Edwin Heathcote, Where would we be without the traditional London cafe? Milk bars, ice-cream parlours and espresso bars are all a feature of the London landscape that were borne out of the 1940s to 1960s. It is a time when floods of immigrants set up their businesses providing frothy coffee to the city's workers. Today, many of these establishments still function as cafes and have their original elaborate and shiny machines that continue to dispense no end of steam and cups of tea, and still feature vinyl and tiled floors and walls. This book provides an affectionate look at one of London's endangered species, featuring 28 cafes throughout the capital. Each example is accompanied by anecdotal captions which evoke the atmosphere and context of each place, as well as addresses and nearest tube stations, so that anyone wanting a fix of old-style London can go and find it.
