

## Problem of War in the Old Testament (Paperback)

Filesize: 6.58 MB

### ***Reviews***

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

*(Mrs. Jacquelyn Gutmann)*

## PROBLEM OF WAR IN THE OLD TESTAMENT (PAPERBACK)

William B Eerdmans Publishing Co, United States, 1978. Paperback. Book Condition: New. 212 x 138 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The predominance of war in the Old Testament troubles many Christians. However it is an issue that must be faced, says Peter C. Craigie, because it has serious ramifications for contemporary Christian attitudes about war. Professor Craigie categorizes the problems into two kinds - personal and external. The personal problems arise from the Christian's attempt to grapple with the emphasis on war in a book fundamental to faith. Three areas are considered here: the representation of God as warrior; God's revelation of himself in a book which preserves an extensive amount of war literature; and the seemingly conflicting ethics taught in the Old Testament and the New Testament. The external problems are critiques against the Bible and the Christian faith, based on the war-like nature of the Old Testament and the close association between Christianity and war throughout history. Only by examining and understanding the problem of war in the Old Testament will Christians be able to respond intelligently to attacks on their faith, to educate their youth in the nature of war, and to influence modern attitudes toward war. Peter C. Craigie was Academic Vice-President of the University of Calgary, professor of religious studies, and authored *The Book of Deuteronomy* in the *New International Commentary on the Old Testament* series (Eerdmans). Dr. Craigie is acutely aware of the ethical problems posed by his subject, and his study should be helpful to others who are equally aware of these problems. I am glad to commend this book. - F. F. Bruce University of Manchester Professor Craigie approaches a difficult subject in an irenic, open manner, conveying both his grasp of the subject...
