Brand New Book ***** Print on Demand *****.Excerpt from Gnomic Sunbeams So I bring my pigs to market - rather a sample of them. They are not very dainty; reliable pork never is - but I have fed them as well as my knowledge would allow. If they are too fat, freeze them; then chop off the extra adipose matter; if too lean, please add some brown gravy of forbearance, remembering that their original owner has been more or less indisposed, suffering physical pain, etc., during the whole period of their birth, youth, and education, and that with experience and practice his next batch will be more to your taste, mon ami. I take this opportunity to thank friends and such of the public who have bought, paid for, read, and appreciated Yuletide Telesms - my booklet of last Xmas. As Miss Newbury Street would say to some one else s brother, after an osculatory exercise, John, dear John, I ll palliate you on this occasion; but, please, I, of a certainty, must remove my glasses hereafter, dear boy. So, reader mine, am I to hope for palliation? I was born nurtured of a woman, I have lived through disease and fever, I have sinned; but I m only human. I m balanced, with man as a lever And Satan as the pin. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
