Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Early in the twenty- second century turmoil and strife engulf the United States which is amidst a second civil war. Bastardized, augmented versions of humans run rampant in their attempt to speed up the next step in evolution. Among the destruction on the ground, Galath platforms hover ominously over former major cities housing the powerful and elite. Washington has fallen victim to a silent coup that started some forty years ago. The new American totalitarian leadership led by the infamous High Councilor, who is nothing more than a puppet for a much more evil and vile person, tries without rest to destroy hope for freedom in the United States. Exiling any opposed and policing the streets with a Gestapo like mentality. The people have become apathetic but word travels the states of a force moving east that started twenty years ago, slowly moving gaining momentum, of a force that fights, that fights for the people. Lead by the incomparable Harkham Fultran wielding a sword forged from a metal said to be found in the mountains where dragons once dwelt. These Forces of Freedom attempt to take back what is rightfully theirs, their country, their independence, and their humanity.
