Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Forget the old concept of medical school taking over your life. It is possible to do great in school while still having a rich and well-rounded life. Whether your dream is having time for international volunteer work, having time to do cutting edge research, having time to be the parent and spouse you want to be, having time to exercise relax and unwind, or just HAVING TIME to live more and work less, Medical School 2.0 is your blue print to thrive as a medical student. This step-by-step guide to medical school teaches: How Dave, a medical student with below-average SAT and MCAT scores used these techniques to go from spending 16 hours a day on medical school and getting a C average to spending 1-3 hours a day on medical school and getting the top academic honors, 99.7th percentile on USMLE Steps 1 and 2, induction into the AOA honor society, and getting into his top choice residency in his top choice location, all the while enjoying the process of learning and having plenty of free time to enjoy life outside of medical school. How to clarify your personal goals for your life in medicine and in medical school and use those to reverse-engineer a personalized and customized curriculum for yourself. How to sift through seemingly infinite study sources and choose the highest yield information for your own unique goals. How to apply the latest research findings in the neuroscience of learning and memory to supercharge your brain s learning potential, maximizing your per-hour learning output. How to structure and schedule your study sessions and your work days to maximize your learning potential. What...
