

Keepers (Paperback)

By Liza Gonzalez

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Twenty year old Jules Fagan thought that her life was pretty much cut and dry. She would live, she would die, and she would try to enjoy the time in between. Little did she know, her whole concrete world was about to turn to quicksand in a matter of minutes. Jules lives in the small town of Pace, Florida with her older brother, Jacob, and her best friend Serenitee. Up until this one life changing night, the only thing abnormal about Jules is her dreams. She sees the future. And only she, Jacob, and Serenitee were in on the secret. She has a vision of a guy named London and finds out that she is a Keeper and is bound to protect humans dreams from the ones that steal souls, the Takers. London is a Taker, but has never been able to follow through with his end of the deal for one reason. He has a conscience. After Jules parents die, she loses herself a bit. London finds her in a dream and heals her with his patience...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
