## THE BOOK OF GENESIS: ILLUSTRATED BY R.CRUMB

DOWNLOAD

WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, The Book of Genesis: Illustrated by R.Crumb, Robert Crumb, Envisioning the first book of the bible like no one before him, R. Crumb, the legendary illustrator, reveals here the story of Genesis in a profoundly honest and deeply moving way. Originally thinking that we would do a take off of Adam and Eve, Crumb became so fascinated by the Bible's language, "a text so great and so strange that it lends itself readily to graphic depictions," that he decided instead to do a literal interpretation using the text word for word in a version primarily assembled from the translations of Robert Alter and the King James bible. Now, readers of every persuasion-Crumb fans, comic book lovers, and believers-can gain astonishing new insights from these harrowing, tragic, and even juicy stories. Crumb's Book of Genesis reintroduces us to the bountiful tree lined garden of Adam and Eve, the massive ark of Noah with beasts of every kind, the cities of Sodom and Gomorrah destroyed by brimstone and fire that rained from the heavens, and the Egypt of the Pharaoh, where Joseph's embalmed body is carried in a coffin, in a scene as elegiac as any in Genesis. Using clues from the text and peeling away the theological and scholarly interpretation that have often obscured the Bible's most dramatic stories, Crumb fleshes out a parade of Biblical originals: from the serpent in Eden, the humanoid reptile appearing like an alien out of a science fiction movie, to Jacob, a "kind've depressed guy who doesn't strike you as physically courageous," and his bother, Esau, "a rough and kick ass guy," to Abraham's wife Sarah, more fetching than most woman at 90, to God himself, "a standard Charlton Heston-like figure with long white hair...
