## Riviera to the Rhine: U.S. Army in World War II: European Theater of Operations

By Clarke, Jeffrey J. Smith, Robert Ross. Morelock, Jerry D., Foreword by.

Whitman Publishing. 1 Cloth(s), 2012. hard. Book Condition: New. Along with an in-depth focus on the Allies' amphibious assault Operation Dragoon in southern France on August 15, 1944, this book covers the tactical operations of the 6th Army Group (Seventh U.S. and First French Armies) until February 1945. Exhaustively researched and bolstered by firsthand accounts, this book is part of a series that traces the U.S. Army's European combat experiences in World War II from Operation Overlord through Germany's surrender, seen not only from the Americans' point of view but also from that of their German adversaries. Each volume can be read separately but also fits within the framework of the series, and features dozens of black and white photographs, glossaries, and other supplemental information; some contain additional pull-out maps printed in color. 641.

### Reviews

*Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.*

-- **Joshua Gerhold PhD**

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*
