

## Modern Ideas in Chess

Filesize: 4.86 MB

### ***Reviews***

*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).*

*(Dr. Marcel Collins)*

Russell Enterprises. Paperback / softback. Book Condition: new. BRAND NEW, Modern Ideas in Chess, Richard Reti, First Last, Modern Ideas in Chess is a series of 45 essays dealing with the evolution of game, its leading players, their ideas and contributions to their respective periods. The chronology starts in the Romantic era of Anders-sen and Morphy, continues through the Classical School of Steinitz, Tarrasch, Lasker, and runs to the dawn of the Hypermodern Revolution; the 70 year stretch from 1852 to 1922. Working in small chunks Rti had to be selective in what he extracted from each player and period. Plus the individual elements all had to tie in with the larger canvass Rti was painting for his readers. You dont have to get too far into the book to realize that Rti was a creative artist using the tension of chess ideas to reflect the larger intellectual struggle of mankind. How does Rti do it? A solid chess foundation obviously helps, also keen observation of the human experience coupled with a powerful command of language. Together these serve up indelible images that stick in the mind of the reader and lift this work far above the ordinary. Modern Ideas in Chess is one of the rare books that transcends the time frame in which it was written. It stands on its own, timeless, one of the true classics in the literature of the game.
