Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE PROJECT MEETING FACILITATOR: FACILITATION SKILLS TO MAKE THE MOST OF PROJECT MEETINGS

Jossey-Bass, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "For anyone thrown into the stormy world of managing project meetings and herding humans, The Project Meeting Facilitator provides the definitive survival kit to enable the preparation, management, and successful achievement of results from the necessary evil of project meetings. Tammy Adams, Jan Means, and Michael Spivey have combined their years of experience in real-world facilitation and teaching to provide any facilitator with a "Who, What, When, and When Not" guide, supported by real tools, examples, and pitfalls."--Dale Carr, manager, Business Analysis " The Project Meeting Facilitator is focused on traditional project meeting facilitation techniques but is easily applied in more iterative approaches like Agile, Lean, or Design-Build methodologies ."-- David Spann, certified professional facilitator, past MBA Director at Westminster College, Salt Lake City, Utah; and president, Agile Adaptive Management "Simply the most useful reference book available today for project managers."--Bonnie Burkhardt, IT manager, KeySpan Corporation "This is an excellent resource for everyone from the novice to expert project manager using a non-directive but comprehensively structured facilitative approach."--David A. Wayne, Ph.D., CEO, Four Seasons International Consulting, Inc., past chair, International Association of Facilitators "Every project manager should read this book-it provides clear, straightforward, easy-to-follow guidance for better meetings and more successful projects based on the sound project management and facilitation experience of the authors." --Gary Rush, certified professional facilitator, president, MGR Consulting "A unique and practical approach to project facilitation mapped to the initiating, planning, executing, controlling, and closing phases of the project management life cycle. This book is practical in its application on projects and sets you up for success every time you facilitate a project meeting."--Kenneth Steiness, PMP, principal consultant, Statera "Jan, Tammy, and Michael have done it again! Their previous masterwork,...
