Mute Publishing Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Schengen with ease Extra-comunitarios , or citizens of non-European countries, have the extra bureaucratic task of changing their status, to one that will allow them to move and work freely within the European Union. The length and complexity of this process can vary depending on the type of extra-comunitario in question. Almost everyone agrees that bureaucracy is the most boring thing on the world. Time spent in waiting rooms and lines is not considered as a part of living, but an interference, daily life put on hold, with the hope that, when it s all over, it will be possible to take up real life again as though nothing had ever happened. It is wasted, meaningless time that has to be erased as soon as the new status is achieved - in the case that process was successful. A card with a number becomes the key to freedom and the desire for it grows stronger as the bureaucratic process, transition, irresolution, legislative limbo or whatever becomes longer and more convoluted. If it s true that we learn from life by living it, what teaches us this most boring experience? Queue better? Be more severe, obedient, or lie to the authorities better? And how did we come to this that a piece of paper can provide us freedom? Schengen with ease is a compilation of material from a variety of official and non-official sources, brought together to explain how daily practices are affected by the application of the EU Foreign Legislation and the Schengen Agreement in the territory of the European Union. Adopting the Assimil method (Alphonse Cherel, Paris, 1929) this book gives a systematic study of...
