Thames Hudson Ltd, United Kingdom, 2003. Paperback. Book Condition: New. New.. 252 x 245 mm. Language: English . Brand New Book. This comprehensive biography presents the achievements of Brion Gysin, a multi-faceted artist whose work has influenced performers such as David Bowie and Mick Jagger. Recalling the heady atmosphere of the so-called Beat Hotel in Paris in the late 1950s and 1960s, it features first-hand reminiscences by contemporaries, plus a biographical essay and chronological listings. The book explains the invention of the cut-up technique and Brion Gysin s productive literary collaboration with William Burroughs. As well as looking at his work as a sound poet and performance artist, it features reproductions of his paintings and graphics, and examples of his permutated poems and other writings.
