My hair is the source of all my problems! No. I am the source of all your problems. There are people in this world who unwittingly create the realities they share with others. I create the delusions. I visited you on your fifth birthday, and I would have been there regardless of whether you had the party. I was the monster you prayed to in public restrooms after your parents decided you were old enough to pee alone. Remember the night I babysat for you and recruited you into extremism? You probably don't. We didn't talk much. I check in on you every so often to see how you've changed, but you can't recall my face. Maybe this will refresh your memory. These 19 short stories by Mynah K pay brief visits to people of all different ages, and all different times and places, who all share a common problem. This collection includes the stories: Tracking Shot, Klaipeda-Scope, Prayers to Thoughtful Monsters, Maddie, Mirror Neurons, Knowledge Permanence, My Hair is the Source of All My Problems, The Audience, Clearer from a Distance, Smiles, God-Proof Field, Chicken Tikka Masala, Am I the Wrong Person?, One Inch Voice, The Other Extreme, A Nose So Strong, The Opposite of Life, Losers and Dreamers, and No-School Day.
