Brand New Book ***** Print on Demand *****.Math Your Kids WANT To DoAre you tired of the daily homework drama? Do your children sigh, fidget, whine, stare out the window -- anything except work on their math? With the Math You Can Play series, your kids can practice their math skills by playing games with basic items you already have around the house, such as playing cards and dice. Through playful interaction, games strengthen a child s intuitive understanding of numbers and build problem-solving strategies.
