## OPENING THE DOORS TO CONSCIOUSNESS (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My name is Young Kim and I wanted to share my personal experiences with DMT in this book. A while ago I had a near death experience which led me to seek out the molecule released during these traumatic events and at birth and death. DMT is known to be the substance behind these experiences and I sought to use it in order to explore the very boundaries of the mind and the soul. The following book was my own journey which lasted a week in South America. What I unveiled made me completely reevaluate my understanding of consciousness. I came to some incredible discoveries on this sacred ancient molecule and I truly believe anyone seeking profound answers in their lives and those who are suffering with deep traumas would be greatly helped by taking the molecule in a safe set and setting.
