Pressure points for improving Eyesight Conclusion Author Bio Introduction Being very interested in alternative medicine forms like Ayurveda and being taught yoga as a part of our Academic curriculum, in our student days, I soon began to understand why the ancients in the East considered yoga to be an integral part of their lives. This book is going to introduce you to some of the more common ancient natural healing traditions practiced in the Indian subcontinent since ancient times. I was talking to an American audience about alternative Indian medicine, when I spoke about Ayurveda and yoga. A friend immediately said, But that is religious, and is based on Hindu practices. I would like to clear up this point once and for all. These practices are definitely not based to people belonging to one religion. Besides, the people who wrote these exercises and rules for right and proper living, and practiced them millenniums ago were Aryans and they gave this knowledge in their religious and spiritual books to the people of India who were practicing Hinduism. Practicing Hinduism? What do I mean by that? Consider Hinduism at that time to be a way of life, practicing nonviolence and following the wise teachings of...
