Berry Biz Pty Ltd. Paperback. Book Condition: New. Paperback. 151 pages. Personal Development, Wealth Creation and Goal Setting for WomenThe Positive Thinking and Motivation You Need To Live an Extraordinary Lifelf youre reading my book, theres a very good chance that youre looking for change in your life. So to make sure you get the most benefit out of the information on every page, heres how I suggest you go about reading it. Firstly, make a commitment to read the entire book from cover to cover and set a date by which you want to have it finished. Buy yourself a wealth creation and goal setting journal, which we will call your Wealth Creation Journal (youll learn more about this in Chapter 1). Every chapter contains a series of exercises and questions that I strongly encourage you to complete as you go. You can complete the exercises in your Wealth Creation Goal Setting Journal, but if you have the printed version of this book, I have also left space within these pages if youd prefer to write your answers there. Finish every exercise in each chapter before moving onto the next if you really want to live an EXTRAORDINARY life! You may find that some of the personal development exercises and actions you decide to take will challenge you and push you out of your comfort zone. This is a positive and very normal part of introducing changes to your life because it means you are growing and getting closer to the result you want. So push through these growing pains and dont give up. If you are having major relationship troubles, family issues, poor health, ongoing financial crises or other turmoil then you may feel that this book is too optimistic, or not, for you. I encourage you to...
