Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Long ago, before men came to the shores of Ireland, there lived a race of gods who fought a great evil to keep their island from sinking into the sea. Knowing men were destined to rule the land they loved, the gods created four great treasures to guard their beloved isle should the great evil rise to destroy it once more. Thousands of years would come to pass before the treasures were needed, before man would have to fight, to save Ireland from destruction. Brigid MacQuill has spent her entire life healing people in her small, Irish town. After watching Morgan and Quinn nearly die battling a Celtic monster, she is determined to help everyone get back to normal. But when a love from her past returns to Ireland, events set in motion long ago, come screaming back to present. After being injured in Iraq, Dermot Callaghan is returning to Ireland to heal, and reconnect with the woman he left behind six years ago. They discover Brigid is the keeper of a treasure that holds great power, but her life will be put on the line to guard it. Will they get a second chance at love when their lives, and the fate of the world, hang in the balance? Or will fate tear them apart again? With a mix of magic, suspense, and plenty of romance, Irish Heart will take you on a journey that turns myth into reality and shows that the magic of love can heal all things.
