

## The Encyclopedia of Cooking Skills and Techniques

By Norma MacMillan, Carole Clements

Anness Publishing. Hardback. Book Condition: new. BRAND NEW, The Encyclopedia of Cooking Skills and Techniques, Norma MacMillan, Carole Clements, This is the indispensable how-to-cook book, teaching all the basic techniques and then how to use them. This is the most accessible, comprehensive visual guide to cookery processes, all shown in step-by-step detail. This is the perfect practical format with every technique then used in an easy example recipe. It offers over 200 recipes, from simple soups to delectable desserts. It reveals the secrets of classic techniques, as well as modern innovations - so you can choose the best and most effective method for every task. There are hundreds of recipe variations and ideas, clear, handy tips for coping with tricky procedures, and helpful advice on ingredients and equipment. It features over 1000 specially commissioned colour photographs. This accessible book presents all the essential cookery techniques clearly and simply with step-by-step photographs, and then shows how to put them into practice in over 200 recipes and variations. Most cookbooks assume a prior knowledge and understanding of skills and terminology - that we know how to bread fish for frying, spatchcock a chicken, make gravy, clarify butter, peel tomatoes, mince garlic, cook...
